

# Sponsorship Tiers for our Charity Golf Day

Sponsorship is vital to cover the costs of the event, meaning as much as possible that is raised on the day can go directly towards funding our vital work for children with disabilities in Africa.

## Platinum Sponsor

**£10,000**

Becoming a Platinum Sponsor of the golf day will cover our full event costs, maximising every pound made on the day. A Platinum Sponsor will have:

- Up to five team entries to the event and automatic competition entry.
- Full branding across our digital platforms, event material and over the course.
- Additional drinks at the post-round meal.
- Exclusive access to our other events, including a table at our Annual Gala Dinner.

## Gold Sponsor

**£5,000**

Becoming a Gold Sponsor will allow Able Child to offer a 50/50 match to guests on ticket price, allowing us to push fundraising through other means on the day. A Gold Sponsor will have:

- Up to three team entries to the event and automatic competition entry.
- Branding on our event material and over the course.
- Exclusive access to our events, including a pair of tickets to our Annual Gala Dinner.

## Silver Sponsor

**£2,500**

Becoming a Silver Sponsor makes a huge contribution to the event's overheads and gives Able Child room to be creative around fundraising. A Silver Sponsor will have:

- One team entry to the event and automatic competition entry.
- Branding on our event material.
- Exclusive access to our other events and discount rates.

## Sponsor a hole?

For **£250** you can sponsor a hole on the course and have your company branding on the tee and green. Run any competitions or games you wish as the teams come by.
